NABR NETWORK NAMED OFFICIAL COMMUNITY COMMUNICATIONS TOOL OF LAKEWOOD POINTE HOME OWNERS ASSOCIATION IN ROWLETT, TEXAS

Addison, Texas (May 27, 2014) – Jeff Miles, president and CEO of Nabr Network, has announced that Lakewood Pointe Homeowners Association in Rowlett, Texas, has selected Nabr Network as the official private communications tool for the developing community.

“We’re proud to be a part of Lakewood Pointe,” remarked Miles. “We look forward to helping these neighbors build a stronger community.”

Nabr Network, with its controlled social networking-like platform, provides a dynamic way for Lakewood Pointe residents to positively interact in real-time concerning association news, professional services, common interests and neighborhood watch alerts. Additionally, pertinent local news can be pushed into the community as a service to the neighborhood.

Lakewood Pointe residents can also invite local businesses to sponsor their network as a way to generate revenue for special projects within their community.

“Nabr Network will keep us in touch on issues that matter to us, plus help us work together toward a common goal,” said Lakewood Pointe board member Calie McDougall. “Nabr Network is going to be invaluable in keeping our community connected; I believe this is going to spark great things in Lakewood Pointe.”

About Nabr Network

Nabr Network is a communication tool specifically developed for Community Associations such as Homeowner Associations, Condo Associations, and Property Owner Associations. Nabr Network enhances community interaction using a social networking-like platform that provides unrivaled communication and control functions. Nabr Network is headquartered in Addison, Texas. Additional information is available at www.nabrnetwork.com.
