## NABR NETWORK WELCOMES NEW CLIENT: VESTA PROPERTY SERVICES

Lewisville, Texas (February 17, 2017) –Nabr Network, the leading mobile and web communication system built specifically for community management companies and their associations, announced that Vesta Property Services (Vesta) has joined their growing client list. Nabr Network is providing Vesta Property Services and the communities they manage with a branded mobile app and web presence: Vesta Vantage Pro.

The Florida-based full-service association management company is using Vesta Vantage Pro to distribute association news and information with their growing portfolio of communities. Homeowners now have integrated access to their payment history, account balance and non-compliance notices via Vesta Vantage Pro.

“We, as a company, seek to be a constant leader in providing the best management services to our clients. We are excited about our partnership with Nabr Network, another proven leader in innovative and mobilized communication for our industry, remarked Vesta’s President of Community Management, Bob Stevens. “The Vesta Vantage Pro web and mobile application will help keep us out front.”

“Nabr Network recognizes that management companies need to offer the technology that residents have come to expect—both to retain and to bring in new business, James Garner, vice president of business development at Nabr Network, said. “Vesta Vantage Pro will be a powerful sales and marketing tool for Vesta Property Services.”

“Our integration with TOPS enables Vesta to provide their homeowners seamless access to violation history and account information. This is a huge benefit to residents; it gives them instant access to this information right in their hand with the Vesta Vantage Pro mobile app.”
